

Appendix 6: Visits and Exchanges

1 Oct 2008 – 30 Sep 2009

Between the network nodes:

- Lancaster -> Ioannina: visit for five days in May by K. Dimopoulos (Lancaster), who gave a colloquium, a specialized seminar and collaborated with local members.
- Warsaw -> Ioannina: visit by J. Rosiek (Warsaw), who stayed for a week and collaborated with A. Dedes.
- Saclay --> Trieste: M.Frigerio: visit at SISSA, february 2009: scientific collaboration with Andrea Romanino
- Saclay --> Trieste: F.Vernizzi: visit at ICTP Trieste, march 2009: scientific collaboration with Paolo Creminelli
- Saclay --> CERN: C.Caprini: visit at CERN, Geneva, 2-7 march 2009: scientific collaboration with Geradine Servant
- Saclay --> CERN: M.Frigerio: visit at CERN, Geneva, 16-20 march 2009: participation to workshop
- Saclay --> Lyon: M.Frigerio: visit at Lyon Physics Department, 29 march - 1 april 2009: seminar and scientific collaborations
- Saclay --> Warsaw: C.Savoy: visit at Warsaw Physics Department, march 2009: seminar and scientific collaborations
- Barcelona --> Saclay: Thomas Konstandin (UniverseNet ER at IFAE Barcelona): UniverseNet-funded visit at IPHT Saclay 5-11 April 2009: seminar and collaboration with Chiara Caprini
- Saclay --> Trieste: M.Frigerio: visit at SISSA, 19-22 April 2009: scientific collaboration with Andrea Romanino
- Saclay --> Trieste: F.Vernizzi: visit at ICTP Trieste, 8 - 22 june 2009: scientific collaboration with Paolo Creminelli
- Saclay --> Barcelona: M.Frigerio: visit at IFAE Barcelona, Spain, 14-17 june 2009: scientific collaborations
- Saclay --> Warsaw: C.Savoy: visit at Warsaw Physics Department, 15-19 june 2009: participation at conference and scientific collaborations
- Saclay --> Trieste: M.Cirelli: UniverseNet-funded visit at ICTP Trieste, 29 June - 2 july 2009: participation at conference and scientific collaboration with Andrea Romanino
- Barcelona -> CERN: Mariano Quiros, 1 October 2008-30 November 2008 and 1 August 2009-30 September 2009
- Barcelona -> CERN: Eduard Masso, July 2008, July and August 2009
- KCL -> Athens: N. Mavromatos made 4 collaborative visits with A. Lahanas and his group
- KCL -> Athens: N. Mavromatos visited Demokritos NCR Athens for a colloquium on LHC Physics and Cosmology
- KCL -> CERN: N. Mavromatos made 4 collaborative visits, collaboration with J.Ellis, A. Sakharov and others
- KCL -> Oxford: Sarben Sarkar
- KCL -> Paris: M. Sakellariadou visited APC Paris for collaboration
- NBI -> Lancaster University: Savvas Nesseris - 5-9 May 2009, lecture at the Physics department
- Madrid -> Aarhus: J.Garcia-Bellido visited to collaborate with Troels Haugboelle in March 2009.
- Madrid -> Annecy: J.Garcia-Bellido visited to collaborate with Julien Lesgourgues, July 2009.
- Madrid -> CERN: J.R. Espinosa visited CERN March-June 2009
- Madrid -> CERN: G. Ballesteros visited CERN May-June-July 2009

- CERN -> Bonn: Min Xin Huang and Marta Gomez-Reino visited Bonn in October and November 2008
- CERN -> Bonn: Bruce Campbell and John Ellis visited Bonn in May 2009.
- Barcelona -> Bonn: David Val Lopez visited Bonn in June 2009
- Warsaw -> Bonn: Stefan Pokorski visited Bonn in June 2009.
- Annecy -> Oxford: Jan Hamann visited Oxford to collaborate with Arman Shafiloo), 12-14 November 2009.
- Annecy -> Aarhus: Jan Hamann visited Aarhus for collaboration with Steen Hannestad, 1-10 May 2009
- Warsaw -> CERN: B. Grzadkowski visited CERN in May 2009 and gave a talk at the TH PhenClub there. S. Pojorski, J. Pawelczyk, K. Turzynski, Z. Lalak also visited during 08/09.
- Warsaw -> Paris: M. Demianski
- Warsaw -> Munich: M. Olechowski
- Warsaw -> Oxford: S. Pokorski
- Italy -> Barcelona: Antonio Riotto visited Barcelona from 14-16 June 2009
- Italy -> Madrid: Antonio Riotto visited Madrid from 26-28 February 2009
- Italy -> Spain: Antonio Masiero visited Madrid and Valencia from 22-24 April 2009
- Trieste -> Paris: 5-11 Jan 2009, Scientific collaboration (A. Romanino)
- Helsinki -> CERN: November 2008 for collaboration (L. Mether)
- Oxford -> CERN: Subir Sarkar and John March-Russell visited CERN from 3-15 Aug 2009

From other (senior) scientists outside the network:

to Saclay:

- Evgeny AKHMEDOV (Heidelberg), 23-25 June 2009, seminar and collaboration with Michele Frigerio
- Nicolao FORNENGO (Torino), 25 May - 12 June 2009, seminar and collaboration with Marco Cirelli and Paolo Panci
- Filipe JOAQUIM (CERN), 11-15 May 2009, seminar
- Jose-Miguel NO (Madrid), 4-7 May 2009, seminar
- Shrihari GOPALAKRISHNA (BNL), 2-3 March 2009, participation to mini-workshop
- Maurizio PIAI (Swansea), 2-3 March 2009, participation to mini-workshop
- Ben GRIPAIO (CERN), 2-3 March 2009, participation to mini-workshop
- Gero VON GERSDORFF (CERN), 2-4 March 2009, participation to mini-workshop
- Benjamin FUKS (Strasbourg), 2-4 March 2009, participation to mini-workshop

to Ferrara, Italy:

- M. Giannotti from Los Alamos Laboratories (USA) visited between: 01/06/2009 - 12/06/2009 for scientific collaboration.

to Bonn, Germany:

- Prof. Howard Haber (Humboldt Prize winner) from UC Santa Cruz will visit Bonn starting from fall 2009.

to Annecy, France:

- Visit of Juan Garcia-Bellido (Madrid, extended Spain team), 06 July 2009, for collaboration and PhD defense of W. Valkenburg
- Visit of Bogna Kubnik (student, Warsaw node) at IPNL (Lyon), 20 April - 09 June 2009, for collaboration
- Visit of Roberta Armillis (student, INFN Lecce, extended Italy team) at IPNL (Lyon), 21 April - 05 May 2009

to INFN, Trieste:

- Prof. S. Nussinov (Tel Aviv University, Tel Aviv, Israel).
- Dr. S. Choubey (Harish-Chandra Research Institute, Allahabad, India).

to Helsinki:

- Tomislav Prokopec (Utrecht), 27 - 31 October 2008 and 8-12 June 2009. Collaboration on a project regarding the path integral quantization for cosmological perturbations in inflation.
- Aleksu Vuorinen, Bielefeld University, May 11-15, July 27-August 8.
- Syksy Räsänen, University of Geneva, May 25- June 5, 2009, seminar;
- Chris Byrnes, U. of Heidelberg, May 28-29, 2009, seminar;
- Pascal Vaudrevange, Case Western, USA, June 8-9, 2009, seminar.
