

Staff: John March-Russell, Graham Ross, Joe Silk, Subir Sarkar ...

Postdocs: Markus Ahlers, Massimiliano Lattanzi, Stephen West, ...

Students: Joao Rosa, Shaun Hotchkiss, Seshadri Nadathur, ...

ESR: Philipp Mertsch (joined October 2007)

ER: Arman Shafieloo (joined September 2008)

- UK Neutrino Network Meeting, 29 Nov 2006, Oxford
- IoP/RAS Meeting on 'Dark Matter', 26 Nov 2007, London
- ASPERA 'Astroparticle Theory' Workshop, 17 Mar 2008, Oxford
- Astroparticle Physics UK Meeting, 18-20 Jun 2008, Oxford
- ... helped to organise numerous international schools/conferences

Research interests: Dark matter, inflation & fundamental physics, formation of structure & cosmological parameters, baryo/leptogenesis, cosmology of new dimensions, ultrahigh energy cosmic rays, neutrinos

➤ Interaction with astronomers and with particle experimentalists through the *Beecroft Institute of Particle Astrophysics & Cosmology*

➤ Participation in the *Pierre Auger Observatory* and *IceCube*
